Responsibility Grid
We reviewed the responsibility grid, specifically focusing on Site Council’s responsibilities and items for which Site Council offers input, recommendations, and evaluations.

Ashley made a motion to approve the responsibility grid, Lee 2nd the motion. Motion carried.
Site Council Norms (handout on binder)
We reviewed the norms and the group agreed with the norms, as presented, with the exception of being “well-rested”. “Well rested” will be removed from the norms and “Turn off cell phones during meetings” will be added.

School Improvement Plan
Site Council needs to develop and approve the plan. The plan will be 3 years in length. We will have a goal around reading, math and writing. Other goals may include parent involvement, school climate/student management (PBS), and equity. Site Council will monitor the plan throughout the year. Melissa and Suzy will draft the School Improvement Plan for site council to review. Staff input is also important and will be solicited.

We review OAKS scores from the 08-09 school year and AYP. We also discussed the new “Growth Model” and the changes in the school report card.

The meeting adjourned at 3:38 pm.
