School Improvement Plan (continued): As per Site Council's November meeting, the following Goal areas were added to our SIP:

Positive Behavior Support Goals

- Develop a system to refresh and train new staff of rules and explanations
- Share "positive behavior" news with staff, students, and families

Technology Goals

- Scope and sequence
- Professional Development
- Teachers will maintain a current classroom website

Reviewed the 3-year action plan for 2010-2013 in small groups

Shared out about action plans:

We noticed there are a lot of tasks for writing in the 2011-2012 school year. We might need to readjust the timeline for reading.

Emast had to be taken off the action plan.

A suggestion that we add yellow and red zone students on the action plan for PBS was made.

Review of the School Choice Presentation

Jeff Minson and Ann Wilshire will speak at the School Choice Presentation on February 25th.

Meeting adjourned at 3:35
